OUR AWESOME PARTNERS

AMPLIFY

amplifyart.netlify.app

Funding + Community. We built a seamless platform integrating funding tools with community features. Investors explored startups, while entrepreneurs received support and showcased their ventures. This fostered collaboration and fueled collective growth.

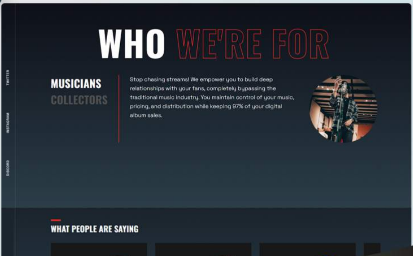
Technology : React

Our Role:

We partnered with VedasLabs, building a user-friendly React platform to streamline their funding process and foster a vibrant entrepreneurial community.

Success Story:

AMPLIFY saw a surge in user engagement, attracting promising startups and facilitating successful funding rounds. Investors gained a transparent platform, while entrepreneurs secured vital resources and connections.



WHO WE'RE FOR
TWITTER
