Familiar with **Data Modeling, Pivot Tables, Power BI, Tableau Desktop** etc. **Awarded with "Outstanding Contribution in Delivery"** in my project. **Certified Professional Google Data Analyst**.

Experience

Associate Data Analyst – Feb-2022 to Oct-2023

Capgemini Technology Services India Limited, Gurugram

- Worked for two clients (**HDFC** and **Pizza Express**) in my tenure as an employee in **Capgemini**.
- Collaborated with **Project Manager** and **Senior Data Analysts** to perform coordinated analysis in both my projects and supported the **Executive Team** to take the required business actions.
- In **HDFC project**, conducted **descriptive analysis** for the credit and debit card sales nationwide. Developed **Power BI dashboard** for **descriptive analysis** and also worked on **diagnostic analysis** for the market places with least sales, revenue and profit margin which successfully boosted the targeted sales in future by 10%.
- In **Pizza Express** project, partnered directly with executive team as the first data hire to formulate and report on **KPIs**. Worked on **descriptive analysis** of numbers of items segment and built a **logistic regression** model to help the sales team decide which items to keep in inventory in different time segments, resulting in **12% lift up** in next two quarter sales using **SQL and Power BI**.
- Worked with Project management tools such as **JIRA, Kanban, Slack** and very much familiar with **Agile/Scrum** methodologies

Junior Data Analyst Intern – May-2021 to Feb-2022

Sanganan IT Solutions Pvt Ltd., Noida

- Worked for client **Bakingo** in my tenure as an intern in Sanganan.
- Identified and reported data issues, conducted detailed **weekly reports**, and pro-actively participated in team meetings with managers.
- Worked on development and implementation of new **quantitative models** in order to stabilize business and maximize efficiency.
- Maintained **databases** and used various statistical techniques to **collect, analyze and interpret data** from customers and partners.

Summer Trainee – June-2018 to July-2018

Reliance Industries Ltd., Barabanki

- Designed the process block diagram and power distribution flowchart in **PowerPoint**.
- Prepared report in **Word** on history of Reliance Industries, its subsidiaries and manufacturing excellence.

Certifications

- **Certification in Professional Google Data Analytics** from **Coursera**.
