Dear Hiring Manager,

I am writing to express my interest in the Frontend Engineer position at DTCC as advertised. With over 7 years of experience in Frontend development, I believe I have the skills and drive to make a real impact in this role.

I am passionate about blockchain and decentralized technology, and I am excited about the opportunity to work on cutting-edge web3 applications at DTCC. My experience with React, Next.js, HTML, CSS, JavaScript/TypeScript, Redux, MobX, REST APIs, GraphQL, and smart contracts make me a strong candidate for this position.

I am committed to staying updated on web3 trends and technologies, and I am eager to collaborate with designers and blockchain developers to bring innovative applications to life. I have a proven track record of developing user-friendly and responsive UIs, and I am confident in my ability to contribute to the success of the team at DTCC.

I am also impressed by DTCC's commitment to diversity and inclusion, and I am excited about the opportunity to work in a thriving internal community that values the contributions of all employees. I am confident that my experience and skills align with the requirements of the role, and I am eager to bring my expertise to the team at DTCC.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passion for blockchain technology make me a strong fit for the Frontend Engineer position at DTCC.

Sincerely,
Marat Alembikov
