SUMMARY

As a seasoned React Native Developer with nearly 4 years of experience in building and maintaining high-quality mobile applications, I am seeking a challenging role where I can leverage my deep understanding of JavaScript, React Native, and cross-platform development.

My goal is to contribute to innovative projects that solve real-world problems and enhance user experiences. I am eager to collaborate with dynamic teams and continue growing my skill set in a forward-thinking organization that values creativity, user-centric design, and cutting-edge technology.
