

# Kiran Negi

## UI UX Designer Intern at Intellipaat

Certified UX/UI Designer with a passion for crafting innovative and user-friendly designs. Proficient in Figma, Adobe XD, and Canva, I specialize in designing apps and websites that offer seamless user experiences. With a background in the HR domain, I bring a unique perspective to my design work. I am always seeking new challenges and opportunities to expand my skills and knowledge in UX/UI design.

## EDUCATION

### UI UX Design course

Feb to July 2023

Indian Institute of Technology, Guwahati

### PDGM-HR

Aug 2014

Welingkar institute-Mumbai University

## Experience

### UI UX Designer Intern

July 2023 - Jan 2024

Intellipaat

- Engaged in real-time project work, gaining practical UX UI design experience.
- Skilled in prioritizing and completing tasks on time.
- Collaborated within teams to strategize and design products.
- Conducted client meetings to gather requirements and collaborated with designers and developers to define and iterate on UI UX solutions.

### HR Recruiter

Dec 2014 - Aug 2016

Beyond talent management pvt ltd.

- I handle recruitment in the retail industry, managing the entire cycle from client consultations to swift position closures. I've worked with notable retail clients, conducted training sessions, and maintained MIS & DRS reports, while also organizing fun and team-building activities.

### HR Recruiter

Dec 2013 - Nov 2014

Elite Consultants-Staffing Services.

- I oversee the complete recruitment process, from sourcing resumes and conducting phone interviews to short-listing candidates and coordinating interviews. I manage salary negotiations, maintain a candidate database, and ensure smooth onboarding, while collaborating with fellow recruiters and performing regular follow-ups to confirm joining dates.

## PERSONAL PROJECTS
