IOS URL: <https://apps.apple.com/in/app/chilling-horror-movies-more/id1545878763>

About: Chilling was founded by two friends whose lives were shaped by the Horror Genre. Spending hours frantically searching for their next horror fix, they realized what the world needed: one all-in-one app to bring together horror & relaxation.

Role :Developer & Designer

PotSmoking (React-Native)

14/12/2021 - 19/01/2023

Android URL:<https://play.google.com/store/apps/details?id=com.potsmoking>

IOS URL:<https://apps.apple.com/us/app/potsmoking-com/id1270740589>

About: PotSmoking.com is The FREE anonymous marijuana lifestyles community app for cannabis lovers around the world. Our free VIRTUAL SESH feature allows our users can socialize with up to

six people from around the world in our private video chat rooms. Users can invite up to five people to join a new SESH, or scroll through all of the SESHES in progress on the join A SESH page to find new people to virtually hang out with 24 hours a day. In addition, the app allows our users to post images and videos with content ranging from humor, entertainment, education, legalization, health and anything else you might want to share with the international cannabis community. Browse through thousands of pages of content from under our information section, where our staff continues to upload all of the best content from around the internet that might be of interest to cannabis enthusiasts and anyone else looking to have fun. We also emphasize educating the world about the health benefits of cannabis, with hundreds of articles from around the internet to help educate people on the medicinal benefits of cannabis as it applies to cancer, anxiety, arthritis and the hundreds of other medical benefits of CBD and THC.
