SUMMARY

As a React Native Developer with three years of hands-on experience, I specialize in developing robust and scalable mobile applications. Proficient in React hooks, Redux, and Firebase, I bring a logical approach to problem-solving and a strong commitment to meeting project deadlines. My expertise in writing clean, maintainable code ensures the delivery of user-friendly interfaces and optimized user experiences. I am eager to leverage my skills within a dynamic development team dedicated to innovation and excellence.

WORK EXPERIENCE

React Native Developer | Cyber-Pixel, UAE **April 2024 - Present**

Keys & Responsibilities:

- Utilize React Native to create robust, efficient, and user-friendly mobile applications.
- Work closely with designers and backend developers to translate UI/UX designs into functional apps and integrate backend APIs.

React Native Developer | Freelancer **March 2021 - Present**

Keys & Responsibilities:

- Successfully Developed and Delivered a Wide Range of Applications to Clients.
