

Parth Dhiman

Scrum Master

As a Scrum Master, I bring a wealth of experience in Agile methodologies and the Scrum framework. My role as a facilitator, coach, and servant leader has enabled me to guide cross-functional teams to deliver high-quality products within tight timelines. I have a proven track record of identifying and eliminating roadblocks, managing stakeholder expectations, and driving continuous improvement. I possess excellent communication skills and have the ability to engage with team members at all levels. My expertise in Agile methodologies, including sprint planning, daily stand-ups, sprint reviews, and retrospectives, has enabled me to build high-performing teams and foster a culture of collaboration, transparency, and accountability

SCRUM MASTER

Quicket Solutions Gurugram

Nov 2022 - Present

Facilitated scrum ceremonies and relevant workshops to achieve sprint goals, actively managing risks and external dependencies. Enabled discussions, decision-making, conflict resolution, and promoted shared accountability for results. Supported Product Managers in shaping the product roadmap and sprint goals. Removed impediments and guided the team to remove impediments by finding the right personnel. Assisted with internal and external communication, improving transparency, and radiating information

SCRUM MASTER

Knoldus Noida

Aug 2021 - Sep 2022

Working in an organization with a track record of handling multiple projects concurrently, I have been actively involved in planning, designing, and scheduling phases for large-scale projects. I specialize in providing detailed product orders derived from comprehensive analyses of project drawings and technical specifications. Additionally, I excel in identifying the requisite plans and resources necessary for successful project execution.

UI/UX Designer

S O Infotech Noida

Sep 2020 - Mar 2021

- User Interface Design:
- Front-End Development:
- UI Frameworks:
- Responsive Design: Implemented responsive design principles to ensure optimal user experiences across different devices and screen sizes.
- Collaboration with Design Teams: Worked closely with design teams to understand and implement UI/UX specifications effectively.

Education

B.Tech CSE.

IIMT Greater Noida

Aug 2017 - Jun 2021

I have achieved a 7.6 GPA in B.Tech CSE. I possess a robust understanding of the principles of engineering and technology. Through my coursework, projects, and internships, I have acquired hands-on experience in designing, developing, and implementing innovative solutions to complex problems. Additionally, I have a strong technical background in various programming languages and software development methodologies

High School

KV Greater Noida Greater Noida

Mar 2016 - Apr 2017

70% in High School , I am equipped with a strong academic foundation and a passion for learning. I have completed my secondary education with a focus on subjects such as Mathematics, Physics, Chemistry, and English
