PROFILE SUMMARY

I am a detail-oriented UI/UX design professional with experience in conducting user research and creating vibrant prototypes. As a UX/UI Designer, I enhanced user engagement by 40% and contributed to a 30% increase in user satisfaction by implementing intuitive design elements and conducting thorough user research. My skills in Figma, Photoshop, and interaction design, combined with experience in optimizing design processes, resulted in a 25% reduction in project timelines. I am adept at collaborating with cross-functional teams to bring products to life, and I am eager to leverage my expertise in a dynamic work environment.
