Ambitious Web Developer with good knowledge of full-stack development. Skilled in practical solution development and implementation. Supports productive teamwork through good planning, adaptability and communication.

---

## EXPERIENCE

May 2021 - January 2023

**Full Stack Web Developer** *Bectics*, Bilaspur, India

I have experience of 4 years, working as part of a team and individually.

After learning Web development, I helped local businesses near me and created many successful websites on my own. Later I started my startup *Bectics.com* which assisted Online businesses as well, for 1 year.

To gain more knowledge and experience, I am now looking for a good Company to work for.

---
