ABOUT ME

"Hello, I'm Shavez Mirza, your digital design virtuoso! With four years of honing my craft, I wield pixels like a maestro conducts a symphony. From sleek interfaces to captivating visuals, I infuse every project with innovation and flair. With a blend of artistic vision and technical expertise.

EXPERIENCE

UI DESIGNER

Cube Desk

Sept 2021 - Mar 2023

As a UI designer, I curated aesthetically captivating and user-centric interfaces, collaborating cross-functionally to translate project requisites into visually arresting designs. From wireframing to pixel-perfect mockups.

UI/UX DESIGNER

Web Driver

Jan 2020 - July 2021

I prioritized designs adhering to brand guidelines, while also emphasizing usability, accessibility, and responsiveness for an unparalleled user experience, while also prioritizing usability, accessibility, and responsiveness for optimal user experience.

JUNIOR UI/UX DESIGNER

Adept India Mascot Pvt. Ltd.

Oct 2018 - Oct 2019

As a UI designer, my responsibilities revolved around creating visually engaging and intuitive user interfaces that effectively communicate the brand's message and facilitate seamless user interactions.
