EXPERIENCE

UX/UI Designer

Fiverr

October 2023 *to Present*

I collaborate closely with clients to comprehend their vision, mission, and values, translating them into visually cohesive designs. With a keen eye for color, typography, and layout, I leverage design principles to cultivate an atmosphere of trust, professionalism, and creativity within the user interface.

Graphic Designer

JB Daruka Papers Ltd.

April 2021 *to November 2022*

During my tenure as a Graphic Designer at JB Daruka Papers Ltd, a prominent paper mill known for its commitment to quality and innovation, I played a pivotal role in enhancing visual communication and brand representation. My responsibilities encompassed a diverse range of design projects that underscored the synergy between creative expression and the paper manufacturing industry.

CERTIFICATION
