## SUMMARY

I'm a dynamic UI/UX Designer passionate about crafting innovative interfaces for optimal user engagement and satisfaction. With four years of expertise in Crypto, NFT, Blockchain, Affiliate, & AI, I specialize in creating visually stunning and user-centric digital products for mobile and web.

I stay current with iOS and Android guidelines to ensure seamless alignment with project requirements, consistently exceeding client expectations.

My collaborative approach and background in user research empower me to strategically design interfaces that captivate users and align with business objectives.

## EXPERIENCE

### Siamaq Consultancy Pvt. Ltd.

22 Feb 2022 – Present
