Sudhakar Prajapati

UI/UX Designer

I am a UI/UX designer with more than 3 years of experience in creating user-friendly and aesthetically pleasing digital products. I have worked on various projects using tools such as Figma, Adobe XD, and Photoshop, and I have expertise in web UI design, mobile UI design, and user experience Design. I am passionate about solving problems and enhancing user satisfaction through innovative and intuitive design solutions.

WORK EXPERIENCE

UI/UX Designer

E Software Solutions

December 2021 - Present

Tasks

- Revitalized UI/UX for a North American restaurant's website and mobile app, aiming to boost user engagement and lower bounce rates. Prioritized user-friendly and visually appealing interfaces, especially catering to takeout, dine-in, and delivery services.

- Created UI/UX for a B2B web app serving a Florida firefighter agency. Streamlined personnel, inventory, and vehicle management using Figma, Adobe XD, and Photoshop for seamless web and mobile experiences.

- Designed a collaborative platform for investors, founders, and industry experts, fostering business growth with chat, project posting, and user profiles. Prioritized a user-centric design to enhance networking and interaction within the entrepreneurial community.

- Designed an intuitive and user-friendly interface for Business Finance Group's (BFG) tax refund application. BFG provides a seamless experience for users to file their income tax refunds submit forms and send documents for verification effortlessly through both mobile and web platforms.

Graphics Designer & UI/UX Designer

AARK Technology Hub PVT. LTD.

December 2020 - November 2021

Tasks

- Produced graphic materials, including posts and banners, to support the digital marketing team's requirements
