SUMMARY

Enthusiastic and detail-oriented Python Developer with over 2 years of experience in designing and implementing web applications using Django. Adept in front-end and back-end development, with a strong grasp of various web technologies including Ajax, JavaScript, and PHP. Proficient in database management with PostgreSQL and MySQL, ORM, and testing. A collaborative team player with a commitment to delivering high-quality solutions, and experience in version control using GIT. Skilled in conducting code reviews, optimizing coding structure, and ensuring robust testing procedures.

SKILLS

Programming Languages: Python, PHP, JavaScript

Frameworks: Django

Web Technologies: Ajax, HTML, CSS

Databases: PostgreSQL, MySQL

Version Control: GIT

Other Tools: RESTful APIs, JSON, XML

EXPERIENCE

Junior Software Developer - Sagacious IP, Gurgaon

(APRIL 2023 - PRESENT)

- Spearheaded the development of backend API services using Python (Django) with PostgreSQL integration.
- Created and optimized modules like HR Dashboard, Quality Tracker, Timesheet, and Ticketing System.
- Conducted code reviews to ensure adherence to coding standards and best practices.
- Implemented ORM techniques for efficient database interaction and management.
- Responsible for testing and debugging to ensure robust and reliable software delivery.
- Improved team collaboration and productivity through efficient issue tracking and resolution systems.

Trainee - Sagacious IP, Gurgaon

(AUG 2022 - APRIL 2023)

- Built a tool to manage Intellectual Property (IP) and streamline the innovation process.
- Provided IP admins and executives with clear views of the innovation process, enabling timely and appropriate actions.
- Developed a real-time tracking system for inventors to monitor the status of their ideas and understand the monetization process, increasing transparency.
- Excelled in API integration, efficient database optimization, and using GIT for version control to ensure streamlined development and automated deployment.

EDUCATION

Bachelor Of Computer Application - S.G.R.R.I.T.S., Dehradun

(2017 - 2020)
