📞 +91 7902725726

📞 +966 0568056140

SUMMARY

Experience in designing a real-time web applications, complex front-end and back-end management systems, social platform applications. All my projects are based on UI / UX technologies such as jquery, HTML, CCS, Bootstrap, Photoshop, Illustrator, After Effect, Adobe XD, Corel Draw etc..

Further, I'm also trying to make my code as clean as possible, in addition, I'm able to convert designs to high quality, cross-browser compatible HTML5/CSS3 markup, I have more than 1+ years experience in web designing and 1+ year in user interface (android) designing and 2+ year in Graphic Designing.
