## Commercial offer

Recruitment agency «Martin hunt» - Sourcing and recruitment of rare IT specialists. Your go-to source for technology recruitment solutions in IT sectors.

As international IT recruitment agency, the technology recruitment team at Martin hunt can quickly find you highly skilled IT professionals who are the best fit for your project or permanent hiring needs. Using skills testing combined with the knowledge of our dedicated specialist IT recruiters, we can match the right professional with the right role.

### Our advantages

The service fee	The service fee is <b>14,5%</b> of the candidate's annual salary (including personal income tax)
Without prepayment	Work without prepayment. You pay for the service only after the candidate will come to work. We don't require a deposit
Guarantee	1 warranty replacement during the trial period (3 months) of the employed candidate.
High speed and quality work	Average time to close a vacancy: 7-20 calendar days. Providing the first candidate for a new vacancy within 1-3 days
Sources of candidate search	We have expert knowledge of the IT market, so you get only relevant candidates, both from our own huge database and from open sources.
Specialists	Able to accept more than 20 IT vacancies at the same time. More than 40 employees, including remote teams worldwide
Worldwide	Thanks to remote teams at place, we make recruitment throughout Europe, USA, Canada, Mexico, Argentina, Chile, Central America, Eastern Europe. Developing markets in the Middle East and Southeast Asia.
