

# EBENEZER Oluwaniyin Mohammed

Interaction Designer | Visual Designer | Graphics designer | Photographer

An experienced UI, Visual, and graphics designer with over 3+ years in the industry, skilled in creating visually compelling designs and interfaces for web and mobile applications. Proficient in using industry-standard software such as Adobe Creative Suite, Sketch, Figma and other design tools. Strong understanding of user interface design principles and a passion for creating intuitive and engaging user experiences. Proven ability to work collaboratively with cross-functional teams, deliver high-quality work on time and within budget, and stay up-to-date with the latest design trends and technologies.
