**GLOBAL STRATEGY AND
INNOVATION PROGRAM**

ABOUT SP JAIN

SP Jain School of Global Management (SP Jain Global) is an Australian business school with campuses in Dubai, Mumbai, Singapore and Sydney. We relentlessly strive to reimagine business education and offer innovative courses in dynamic, world-class cities. We proudly introduce our flagship program: 'Fintech Global Strategy and Innovation Program'. This comprehensive course equips you with cutting-edge Fintech expertise, offering immersive training led by industry luminaries, practical application through real-world case studies, engaging projects centered on emerging technologies, and invaluable networking opportunities with esteemed leaders and innovators in the Fintech sector.

FINTECH OVERVIEW

The fintech industry is continuously evolving, driven by advances in technology and changes in consumer behaviour. 2023 will witness significant trends in AI and machine learning, blockchain, digital banking and mobile payments, cybersecurity and fraud prevention, and open banking and API integration.

These trends have the potential to transform the financial industry and provide more personalised, convenient, and secure services to customers. 2023 is shaping up to be a watershed year for the way digital banking and finance evolve in the country and around the world.
