

# KAKSHA VAGHASIYA

Graphics Designer and UI/UX Designer

## Profile

I'm an experienced UX/UI designer with significant practical experience in creating effective and efficient interfaces.

My goal is to provide you with an intuitively smart and satisfying interaction with the product. My creed is to help companies create products that not only solve problems but also provide value and emotional confirmation for users.

I have a certificate in graphic design and education in Web UX/UI design as well. <https://linkmix.co/22307881>
