Experience

UX Designer at Indexnine Technologies Pvt. Ltd, Pune
June 2022 - November 2023

Leading design initiatives, fostering cross-functional collaboration to deliver exceptional digital experiences on a global scale.

Design Intern at Indexnine Technologies Pvt. Ltd, Pune
March 2022 - May 2022

With a solid grounding in design thinking and problem-solving, I'm dedicated to ongoing learning and development to deliver visually captivating designs aligned with diverse client objectives and needs.

Project Architect at Space Craft Associates, Pune
September 2020 - November 2022

Project architect with 1+ year experience, involved in design development, drafting, and project coordination to ensure successful project delivery.

Junior Architect at Beyond Green, Pune
August 2019 - September 2020

Contributed to design development, aided in drafting construction documents, assisted in building plans, and supported material presentation as a junior architect with a year of experience.
