Will relocate for apprenticeship
I have been interested in software development and IT since secondary school and first tried programming 5 years ago, I now study a Level 3 T-Level Qualification for Digital production, design, and development with a predicted grade of merit. I have done a software development work experience opportunity with the NHS hospital in Truro, Cornwall as a part of my college course. I am a very active and committed individual as I go to the gym four times a week often in the early hours of the morning to keep up with college work. I am currently looking for a Level 4 apprenticeship to further enhance my knowledge and experience in the field of IT and software.

IT qualifications
• CISCO introduction to cyber security - pass
• CISCO cyber security essentials - pass
• T-Level Digital production, design, and development - predicted merit

GCSE grades (9)
• Enterprise and marketing (Cambridge Nationals) - pass at level 2
• Creative iMedia (Cambridge Nationals) - Distinction at level 2
• Statistics - grade 7
• Combined science - grades 6 and 5
• maths - grade 4
• English lang and lit - grades 6 and 4
• Art and Design (Graphic comm) - grade 6
• DT food and nutrition - grade 6

Willing to relocate: Anywhere
