

MOBILE APPS EXPO SEP 23-24, 2023

DULLES EXPO CENTER, CHANTILLY VA USA

RAISING PUBLIC AWARENESS

Calling all App Developers/Companies to showcase their Mobile Apps

A Business Opportunity to one & many!!

 **Spread the word** 

Hi there,

I hope this message finds you well. My name is **Nigama Pobbathi**, and I am excited to inform you about my upcoming event that presents an excellent sponsorship opportunity/holding a booth. We are organizing a **Mobile Apps Expo**, anticipated to take place on **September 23-24, 2023**, at the prestigious **Dulles Expo** in **Chantilly, VA** with a crowd of a minimum of 3000 people. **Bring your mobile app and showcase it to the consumers or any other businesses how it works and why people should choose your app over the others or tell them what's special about it.** Should you require additional information or wish to express your interest in sponsorship/booth details, please contact us at **mobileappsexpo@gmail.com** or **571 205 8172**. We would be more than happy to provide you with any further details you may need & you can fill out this form ASAP. I hope you understand & it's not just for me, I want to drive more traffic to your unique mobile app/mobile app development business. Enclosed is the form. As I receive the filled form, I will notify the exact prices & other forms you need to sign & authorize to pay link. We are **targeting at least 100+ mobile apps (Consumer/B2B)** to be showcased at our event.

Why & Who need to attend this one?

Anyone who wants to use the technology just at their fingertips to make anything better, easier, safer, faster and affordable.

Businesses who want to spread their app out & drive more traffic to their app.

Entrepreneurs who want to get more creative ideas

Highschoolers and College Students looking for internships

Parents who want to learn internet slang(No! Gen Z slang)

Stay at home moms who want to have some savings or earnings

Anyone who wants to learn new technologies to develop mobile apps

Kids who want to learn more about games & education through fun

Basically anyone and everyone!!

What kind of apps?

Business, games, mobile commerce, social media, utility, health, food, travel, savings, shopping, security, sports, spirituality, education, entertainment, real estate, banking, language & you name it we have it!

Thank you for your partnership/sponsorship.

Sincerely,

Nigama Pobbathi
