Recommended Letters

Recommendation Letter

To whom it may concern,

I am writing to highly recommend Mr. TALLHA KOSYYER. Mr. TALLHA worked as a software developer, with a special focus on app development, for three years, during which time he demonstrated exceptional dedication, passion, and skill in her work.

As an app developer, Mr. TALLHA was responsible for Implementing visually appealing and user-friendly UI designs that provide an excellent user experience , Writing clean, well-structured code that is easy to understand, maintain, and scale, Successfully working with a team, including designers, backend developers, and QA engineers, to deliver projects on time and meet project goals, Developing and launching a stable and high-quality Flutter application that meets user requirements and achieves positive feedback from users, he consistently delivered high-quality work, often exceeding expectations and completing projects ahead of schedule. his ability to work well under pressure and manage multiple tasks simultaneously was particularly impressive.

Mr. TALLHA was also an excellent team player, collaborating effectively with colleagues and contributing to a positive working environment. he was always willing to offer support and guidance to team members, and his positive attitude and enthusiasm were infectious.

Mr. TALLHA demonstrated a strong commitment to ongoing learning and development, staying up-to-date with the latest industry trends and technologies. his passion for software development was evident in his work, and he were always seeking new and innovative ways to solve problems and improve processes.

Based on his exceptional performance as a software developer, I have no doubt that Mr. TALLHA would be an excellent candidate for any master scholarship program focused on software development or related fields. He is highly skilled, motivated, and passionate about his work, with a strong commitment to ongoing learning and professional development.

Please do not hesitate to contact me if you require any further information or if you have any questions about Mr. TALLHA KOSYYER qualifications or performance as a software developer.

Sincerely,

Abdullah Tulaimat (Administrative manager of Assist)

Syria Date: 10/01/2024

To whom it may concern,

It is my pleasure to write this letter to recommend Mr. TALLHA KOSYYER, who has worked as a Mobile Developer with our company for 2 years from 02/2021 to 2/2023.

During his work, Mr. TALLHA KOSYYER worked on many mobile projects like Empratoro-shop.com, letshelp-platform.com and others that are for specific requirements for specific customers.

Mr. TALLHA KOSYYER always produced comprehensive and well-defined solutions and products, Mr. TALLHA KOSYYER always stood as an inspiration to his mates. Naturally his dedication and diligence have earned him the highest grade in the team. I know Mr. TALLHA KOSYYER is intelligent and highly motivated to achieve his goals and always explained his views very concisely, and gave supporting arguments that were both clear and persuasive.

Mr. TALLHA KOSYYER continues to impress me with his knowledge, skill, and dedication to his work. I'm sure you will find him to be a best engineer whose talents will only shine further through your company.

It is my hope that you will accept him in your enterprise.

Please feel free to contact me if you require further information.

Sincerely,

Anas ALTADMORY
