

YASHVI SAVANI

Frontend Web Developer

 yashvisavani05@gmail.com |  +91 6354588322 |  Gujarat, India

PROFILE

Results-oriented Frontend Developer with 1.5 years of experience building dynamic web applications using Angular, UI design tools, and a strong foundation in web development principles. Proven ability to lead and mentor junior developers. Eager to contribute to a challenging role and drive innovative solutions.

WORK EXPERIENCE

Frontend WebDeveloper | Shreecode | 1+ Years of Experience 2022 - 2024 (Present)

- Developed high-performing PWAs (quantifiable results) and dynamic websites (Angular/Material) for a seamless user experience.
- Led a team of developers, providing mentorship and guidance on best practices.
- Collaborated with backend devs to integrate efficient RESTful APIs.
- Created user-friendly and visually appealing UI designs by leveraging proficiency in Figma, Photoshop, and Illustrator.
- Crafted well-structured and documented code for long-term maintainability and optimal application performance.
- Proactively maintained application health through debugging and troubleshooting to ensure a smooth user experience.

TECHNICAL SKILLS

- Frontend Development Angular2+ (latest versions), JavaScript(ES6), TypeScript, HTML5, CSS3, Bootstrap, Tailwind, Sass, Less.
- JavaScript Libraries RxJS, NgRx, JQuery.
- Version Control Git, Bitbucket.
- Development Tools Sublime, Visual Studio, WebStorm.

PROFESSIONAL SKILLS

- Adaptability
- Mentorship
- Team Work

EDUCATION

Bachelor Of Computer Applications | AISECT University

2019 - 2022

Master Web development | Red and white multimedia

2021 - 2022

Attained comprehensive proficiency in HTML5, CSS3, WordPress, JavaScript, Bootstrap, jQuery, Photoshop, Node.js, and MongoDB through dedicated coursework

ACHIEVEMENT/ ACTIVITY

In addition to my academic achievements (Master's in Web Development with a high GPA), I've actively participated in both professional and personal development activities. I honed my leadership and communication skills by organizing a community food drive, and I expanded my technical knowledge by attending the Code Light event. To further enhance my well-being, I also participated in sports events at Red and White Multimedia.
