## PERSONAL DETAILS

Date of birth: 30-07-1994

Nationality: Indian

Address: Vill-Amrethuwa, Post-Songar, Dist-Jaunpur Uttar Pradesh 222139 , India

Phone number: 9625968956

Email address:

[rajbharabhishek40@gmail.com](mailto:rajbharabhishek40@gmail.com)

## PROJECTS

- HMLR (HM LAND REGISTRY)

**PLATFORM:**SPRINGBOOT,HIBERNATE, COLLECTION

Developed based on the land registry, in which the user provides the map interface, the user sees his land registry area. We attach links on to the register area in attach link provide form information as register date, user name, file number, etc

In project create module on use framework spring boot, hibernate

Module as delete, update, excel upload, excel download, delete record reson .etc

- FMIS (FOREST MANAGEMENT INVENTORY SYSTEM)

**Platform:** React js, Springboot, Hibernate

Project is based on field verification. Field officers do register plantation registration and completing registration, then send check details for DFO and DFO check details

I have create module user kyc, staff login staff registration, plantation registration, application dfo verified

- SYSTEM INTEGRATED FOR TECHNOLOGY SOLUTION FOR FOREST AND BIODIVERSITY CONVERSION)

**PLATFORM:**JAVASCRIPT,JQUERY,AJAX

Developed based on a survey created in which field users do a survey then upload details to the server

then we calculate the survey data based on. all calculate data show on dashboard by graphics
