Case Studies

Challenge

Our client, Fauget Company, a growing e-commerce business in the fashion industry, approached us with several pressing challenges:

Low Online Visibility

The client's website struggled to rank on search engine results pages (SERPs), resulting in limited organic traffic.

Competitive Market

The fashion industry is highly competitive, with established brands dominating search engine rankings.

Declining Sales

The client was experiencing a steady decline in online sales and revenue due to the lack of visibility.

Solution

Coffee cup Code's team conducted a comprehensive SEO audit and developed a tailored strategy. This included keyword optimization, content creation, and technical SEO enhancements.

Outcome

Within six months, our client saw a 120% increase in organic website traffic and a significant boost in search engine rankings. Their online presence was transformed, leading to a 30% increase in online sales.

Team Expertise

Our team comprises experts in various fields, including web design, development, SEO, and digital marketing. We bring a wealth of experience and knowledge to every project.
